Wirral Cycling Group

Committee Roles

Each year, at the Annual General Meeting, members of the Group elect the Chair, the Secretary and the Treasurer, plus up to six other people to serve on the committee for the following year.

The roles of Chair, Secretary and Treasurer are required for any club, but in addition we also need three of the other members of the committee to act as the Ride Coordinator, the Website Administrator and the Membership Secretary.

Plus there are three other places on the committee, which do not have any specific role, but are there to assist as required. So the members of the committee are arranged into three groups

Ride Coordinator

Secretary
Website Administrator

Treasurer
Membership Secretary

who can help each other and provide cover should one person be on holiday or unavailable.

A new role for a dedicated Welfare and Social Officer has also been identified and defined below.

The different roles of the committee are shown below:

Chair

The role of Chair is to set the direction and strategy of the Group. They should talk to members to make sure that they know and can represent the views and opinions of the membership. And it is their role to assign responsibilities and tasks to the other members of the committee.

- With the Secretary, prepare agenda for committee & annual general meetings
- Chair the Group's meetings, ensure that people stick to the agenda and aim to make sure that all decisions are taken collectively.
- Pass on any tasks and issues to be resolved to the appropriate committee members
